(54) Title: A SETUP COMPRISING AN UMBRELLA AND A SAFE

(57) Abstract: The invention relates to an apparatus designed to be used at holiday resorts and beaches. The apparatus (1) subject to this invention, basically involves an umbrella (2) and a stem (4) supporting said umbrella (2); and is characterized by a body (6) around said stem (4) and which houses several accessories, an electronic safe (7) in said body (6), and a control panel (8) used to control said accessories and said safe. In preferred embodiment of the invention, necessary electric power is supplied via one or more sun collectors (3) on the umbrella (2).
